

CANADA

The Management and Scientific Authorities at the **Canadian Wildlife Service** (ENVIRONMENT CANADA) have the overall responsibility for the implementation of the Convention in Canada. There are also other Federal departments involved, such as:

- the **Fisheries and Oceans Canada**: marine species and fish;
- the **Canadian Forest Service**: trees / timber;
- the **Canadian Customs and Border Services Agency**;
- the **Canadian Food Inspection Agency**;
- the **Foreign Affairs Canada**.

Also 12 of the 13 Provinces or Territories have their own designated MAs and SAs.

In any case, CWS should be contacted at the numbers and addresses below under “general information” and CWS will forward messages to relevant authorities.
