

NOTIFICATION TO THE PARTIES

No. 2016/041

Geneva, 9 May 2016

CONCERNING:

Glossary of agarwood products

1. This Notification is published at the request of the Plants Committee.
2. Resolution Conf. 16.10 on *Implementation of the Convention for agarwood-producing taxa*:

ENCOURAGES Parties to make use of the Glossary as a reference while inspecting and controlling specimens of agarwood products. The Glossary was adopted by the Plants Committee at its 2th¹ meeting (Geneva and Dublin, March 2012) and is presented in document CoP16 Inf. 3, in which the images illustrate samples of products but do not represent the whole range of products of agarwood.
3. Parties are advised that a revised version of the Glossary of Agarwood Products in document CoP16 Inf. 3 has been noted by the Plants Committee and can be found in the [Annex to document PC22 Doc. 17.5.3](#).
4. Parties are invited to provide further information and comments regarding the Glossary to the following persons by 30 July 2016:
